

Emissco

Aircon Sanitiser Aerosol

Technical Data Sheet

Air-Con Sanitiser

PRODUCT OVERVIEW

Sanitises & cleans the entire vehicle cab including the air con unit, fascia, air vents & fans

FEATURES AND BENEFITS

- Eliminates unpleasant odours
- Restores a clean and fresh smell
- One can powerful enough to sanitise
- Easy to use

TYPICAL APPLICATIONS

Any automotive vehicle with an air conditioning system fitted

DIRECTIONS FOR USE

Directions: Shake the can well before use. Start the engine, ensure the air-con system is on full power. Open all air vents and set the system to recirculate. Move drivers' seat fully forward and place can upright behind drivers' seat in rear passenger foot well. Depress aerosol actuator until it locks down and immediately vacate the vehicle ensuring all windows and doors are closed. Leave the vehicle engine running for 10 mins, switch off engine and leave for a further 5 mins. Open all windows and ventilate for a further 10 mins before driving. Do not smoke in the vehicle for at least 2 hours.
