Tyre Dressing Aerosol

Technical Data Sheet

Tyre Dressing

PRODUCT OVERVIEW

Quick and easy way to produce a deep showroom tyre gloss. Its foaming action floats off dirt and grime leaving a lustrous black sheen. No need to wipe or rinse, simply spray on and leave. The high-speed application quickly covers the surface leaving a long-lasting finish that will help to protect tyre walls against cracking and fading.

FEATURES AND BENEFITS

- **Foaming action floats off dirt and grime**
- **No need for buffing**
- **Will not harm wheels or trims**
- **Helps to protect tyre walls against cracking and fading**

TYPICAL APPLICATIONS

Specifically formulated to rejuvenate tyres, with wet look shine, removes scuff marks and restores fading, provides a long-lasting finish

DIRECTIONS FOR USE

Directions: Shake can well before use. Spray from 10 - 20cm, 8 - 10 inches, directly onto clean tyre wall. Foam will gradually subside leaving a lustrous sheen.

For application to side walls only do not apply to tread.

Warning. Contains silicone, do not use near surfaces to be painted, glued or bonded
